

TouchNet

Location

Lenexa, Kansas

Project Type

Class A Office

TouchNet, A Global Payments Company, headquartered in Lenexa, KS, is the leading provider of integrated, comprehensive, and secure commerce and credentials solutions for colleges and universities. With the help of our services and expertise at Jonkman Construction, they have a brand new space to call home. Working with partners from MWM Group out of Princeton, NJ, and Rand Elliott Architects in Oklahoma City, we were able to transform 47,000 square-foot of space into this new modern office environment in just four months.

The new TouchNet headquarters is designed to foster collaboration across the organization, allow hands-on training and engagement with customers, and expand the company's research and development capabilities. Fulfilling the next step in TouchNet's mission of making higher education smarter, the new space will accelerate better product development and exceptional customer service for the thousands of higher education institutions that rely on TouchNet for payment and credentialing solutions.
